

# Welcome Pets!

To ensure a pleasant stay for all of our guests, The Draftsman has properly placed the following policies applicable to our guests traveling with their pet(s). Please read the below policies and sign at the bottom.

**I understand and agree to the following policies:**

I will be a courteous pet owner and will pick up after my pet(s). The Doggie Waste station is available with waste bags.

I am aware that there is a non-refundable charge of \$25/day for allowing my pet to stay in the hotel. The payment will be taken upon check in.

I will not take my pet(s) into the Fitness Center or into the restaurant.

Any complaints by guests will be brought to my attention. I realize that if there are consistent problems as a result of my pet's actions, I will be asked to remove my pet from the premises.

I understand that a member of the housekeeping staff will only clean my room while my pet is out of the room with me.
