### **Menu Selections**

Menu selections are due two weeks prior to the event. The final menu and guaranteed guest count are requested three business days prior to the event date. If a guarantee count is not provided three days prior, the group will be charged for the numbers listed in the original contract. In addition, we ask the client to provide any special dietary needs and/or food allergy restrictions. Our staff will make every effort to accommodate for those guests with special needs.

### **Food and Beverage**

Due to health and liability reasons, the removal of any unused food or beverage from an event by guests is prohibited. Alcoholic beverages may not be brought into the event space nor taken out of the event space. Bartenders may ask any guest who appears under 30 years of age for identification. They may also not serve any guest who appears to be intoxicated. The hotel reserves the right to close any event that is in violation of hotel and/or state laws regarding alcohol consumption or distribution.

### **Pricing & Fees**

Food and beverage pricing is subject to change to meet increased cost of food, beverage, labor, etc. All charges are subject to customary service fees, state, and local taxes. Hotel banquet spaces will have a room rental fee for hosting an event. The hotel will include the use of tables, chairs, linens, and china in their pricing. Additional charges may apply for any special set up or particular equipment. Also, the hotel holds the right to charge appropriately for any late cancellation of an event.

### **Equipment/Set Up**

Any event that has special requests for items such as audio/visual equipment, podium, microphone, and so forth may incur additional charges. The hotel will not permit the use of nails, staples, or tape to hang decorative items on walls or ceiling.
